## School fees 2020

The annual school fees for 2020, as recommended by the Governing Body and approved at the Annual General Meeting of 28 October 2019, are as follows:

- First two learners R24 850.00 each of which R1 750.00 per learner has already been paid in December 2019 and the difference at R2 100.00 per month is payable over 11 months from January to November 2020.
- If school fees have been paid in full by 28 February 2020, one month's discount (R2 100.00) per learner will be granted.

School fees are charged for 11 months from January to November and are payable monthly before or on the 7th of each month. A portion of the school fee instalment per pupil for the following year is payable in December of each year.

## Arrears of school fees

The payment of school fees is compulsory under the Schools Act, 1996 (No 84 of 1996). Unless you qualify for exemption from school fees under Section 39 of the Schools Act. Parents who have financial problems with school fees payment can request a waiver form at the office and make an appointment with Mr. A Heydenrych.

## Payment Methods

- **Electronic**

Please send clear proof of payment with the learner's account number and learner's surname to avoid confusion on the bank statement. The bank details are as follows: ABSA BANK, BRANCH CODE: 632005, CHECK ACCOUNT: 260390449. Any inquiries at the bank to find out the identity of a payment are for the cost of the payer.

- **Debit or Credit card**

The school has a debit / credit card facility.

- **Debit order**

To eliminate the risk of cash handling, we urge you to make your school fees payments by debit order. The advantage of a debit order is, among other things, that you do not have to carry cash with you.
